

The Mercedes-Benz Channel Islands Club welcomes you to our 42nd Annual Clean Car Show

Sunday, April 24, 2022

at

Mercedes Benz of Oxnard

1511 Auto Center Drive, Oxnard, CA 93036

General Attendance/Event Start time 11:00 AM

This is one of MBCACI's premier and longest running events. The car show will take place in a dedicated area of the dealership parking lot.

A location and table (possibly inside the dealership) for food/drink will be provided and you may bring your favorite non-alcoholic drinks, snacks or food. The club will provide soft drinks, water, cups and ice.

Please register by mailing the completed form below no later than March 31st to reserve your spot. **We can accommodate 50 cars.**

All registered cars will be judged and every car will be a winner in a category that best fits. Award categories will be finalized before the event, based on the cars registered to attend.

Our last Clean Car Show at Camarillo Museum Airport Hanger

General awards will consist of a commemorative plaque. People's Choice and Best of Show awardees will receive a trophy.

Please be advised that this is not a serious (e.g., Pebble Beach Coucours-like) car judging event and there are no official rules for competing. This is meant to be a fun, social event where we can get together and get to know each other and our MB rides.

So, clean up your MB and spend the afternoon with fellow members and guests. This year we are opening the event to non members who may be interested in joining our club after seeing how much fun we have. Encourage friends and family to join us.

Once you register, more details and instructions will be sent to you, including your specific Arrival/Check-in time for the day of the event.
